Forecast For The United Kingdom
Issued by Met Office Exeter
at 0400 on Sunday 04 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and heavy showers today.

Today:
Sunny spells for most areas, but also some showers, some of them heavy and thundery. Dull and cloudy for some coastal areas in eastern Scotland, northeast England and eastern Northern Ireland. Warmer than yesterday for most.

Tonight:
Early evening showers in the south tending to slowly fade leaving clear spells. Further north, spells of showery rain, heavy at times, developing over Northern Ireland, Scotland and northern England.

Monday:
Early cloud and rain in the north giving way to brighter spells and heavy showers. Elsewhere, sunny spells and scattered showers with wet and windy weather into southern UK later.

Outlook for Tuesday to Thursday:
Generally unsettled, especially Tuesday and Wednesday, with most areas seeing a mixture of sunny spells and showers. Some more generally rain over England Tuesday when windy in the south.
